. The claim in this petition relates to time bound promotion. It appears that the petitioner's claim was considered by the DPC in l996 and l998 but as departmental inquiry was pending against him his case was not cleared. In l999 the DPC did not clear him for time bound promotion because the C.Rs in respect of the petitioner for the last five years were below the prescribed standard. In the departmental inquiry the petitioner was found guilty and punishment was imposed on him. However the punishment was partly set aside by the tribunal in OA No.804 of 2002 vide order dt. l3.l.2003. Considering these facts the tribunal has directed

the respondents to constitute a review committee to consider whether the petitioner would be eligible for time bound promotion after assessing his C.Rs of relevant 5 years. The review committee will now consider the claim of the petitioner under relevant rules and regulations and G.R.dated 8.6.l995. Petition stands disposed of.
